Rev. B. A. Cundiff preached his farewell sermon to the church here Sunday. TOOK TO THE WOODS.

A Prisoner makes a Bold Dash for Liberty.

A few days ago a warrant was issued charging Chas. Taber, of the Shady Grove section with "unlawfully taking a horse in the peaceful possession of another." Saturday Deputy Sheriff Julian Ainsworth and City Marshal Loyd arrested Taber, and as they were coming to town, after nightfall, Taber leaped off of his horse and made his escape in the woods. Loyd fired at him three times, and it is reported that one ball grazed the underside of his arm, while another went through the lapel of his coat.

It seems that Taber had swapped horses with another man, and finding that his new animal did not suit him, went to the stable of the man with whom he had swapped, and took the other horse without leave or license.

Gen. Taylor's Speech.

Attorney General Taylor, the Republican nominee for Governor, addressed the largest crowd that has yet come to Marion this campaign to hear a speech, and his effort was very satisfactory to those who follow his cause.

He devoted a great deal of his time to the Goebel election law, making practically the same arguments against it that have been used since the passage of the measure.

He defended the present administration of affairs in the State, arguing that the State government had been more economically administered than under Democratic rule and claiming that money had been saved to the people.

He is, of course, against the Chinn school book bill and the McCord bill, and presented the arguments that are usually used against these measures.

He boasted at length of "patriotism" under the Republican administration in National affairs, and jilted the bolters in Kentucky no little. He thinks they are might good fellows.

He is not a graceful speaker, but presents his side of the questions at issue in a rather forcible manner, and is entertaining. His speech was enthusiastically received and he was warmly applauded at times.

DEATH'S ROLL.

Mr. James H. Love died at the home of his son, Jefferson, near Dunn Springs church Saturday Oct. 1, after an illness of one month. He had been in declining health for a year or more. The funeral took place from Dunn Springs church Sunday evening. Rev. B. A. Cundiff preached the funeral discourse to a large crowd, gathered to pay the last sad tribute of respect to the deceased. Mr. Love was born in this county in 1836.

Forty-five years ago he united with the Methodist church, and has for many years been noted for his great faith, and untiring zeal in the christian world. He was an earnest, devoted christian gentleman, and as such was held in great respect and veneration by the people who knew him. He has resided in that section for several years, and his many friends and neighbors will long cherish the good name and remember the good works of James H. Love.

His father, Andrew Love, died in this county many years ago, leaving a large family, among who were, besides James, Thomas Love, of Livingston county, Henry, Chas W. and J. H. Love, of this county, and Mrs. Richard Flannery.

Mr. Love's wife and five children survive him, they are Jefferson and Edward and Foster, and Mrs. J. L. Millican, and Miss Nora.

Henry Bennett, son of Mr. A. J. Bennett, of Tolu, died Monday morning, after several weeks illness of typhoid fever. He was interred in the new cemetery at this place, by the side of his mother, Tuesday afternoon. Rev. W. H. Miley conducting the funeral services. A large concourse of the friends of the deceased attended the funeral, and of the who's among there were none who did not deeply regret the death, and tenderly sympathize with the bereaved family. But a few weeks ago the mother was buried and now the death of the son following so quickly that irreparable loss makes it a heavy blow for the family.

Henry Bennett was in his twenty-second year. A bright, ambitious, hopeful young man, who bore the confidence and esteem of the community where he was born and reared, his death just at the beginning of manhood, that promised years of usefulness, deeply touched every heart.

HOME, SWEET HOME.

A Crittenden Boy in the Philippines Longs for his His.

Lucas, P. I., Aug. 2, 1899.

My Dear Friend:—Yours of June 20th, received, and was glad to hear from home.

I have been on the sick report nearly a month, and I am no better than when I first went on.

You were lucky to get your discharge and not come to this God forsaken country. I have been expecting my discharge for the last four months.

My regiment is doing garrison duty, and they are scattered all the way from Manila to Panay. This is the rainy season, and it is raining nearly all the time. It is so muddy here one can hardly march at all.

We are 13 miles from Manila and to get there we must cross six rivers and all the bridges are destroyed except one.

Our rations are brought to us in a "Cassaca" which is a small river craft. They first cross the bay in a steam launch, then the natives pull the Cassacas up the river. A short time ago the river was too high and swift for the natives, and nothing could be brought to us and we nearly starved to death. Half ration and no hard tack you know is hard living.

None of the soldiers have been discharged yet. I mean those who enlisted under general order 40.

We are expecting our discharge in a few days and I am coming home as quick as God will let me.

I am sick of this country and the army too. I do not think there will be any more fighting, more than skirmishes. There are only 11 boys in my company that want to stay here.

Obituary.

Deacon John W. Mabery, the subject of this sketch, was born April 1844, and was married to Mrs. Nancy Tabor in 1863. Bro. Mabery professed faith in Christ and united with the Baptist church at Sulphur Springs; he moved his membership to Caldwell Springs some 12 or 13 years ago, and was a faithful and consistent member until death.

He was ordained a deacon in that church a few years ago, and was an earnest and efficient deacon. He was a kind, generous hearted Christian man; he loved his church, he loved his pastor, and was always willing to assist him in the Lord's work. The writer has been his pastor about twelve years and feels that he has lost one of the best friends he ever had in this world, and a co-laborer that was always true. Oh, how we will miss his wise counsel, earnest prayers and faithful work in our church, but the Lord knows best, and he doeth all things well. Bro. Mabery leaves a wife and five children and several grand children and a host of friends to mourn his loss. He died at his home in Crittenden the 27th day of August, 1899, surrounded by his family and friends. The funeral was preached by the writer at Caldwell Springs church to a large congregation of relatives and friends. Text, Philippians, first chapter, 21st verse: "For me to live in Christ, but to die is gain." Then we laid him away to rest in Caldwell Springs cemetery with Masonic honors to a wait the last roll call. Peace be to his sleeping dust till God shall bid it rise.

May heavens richest benedictions rest upon the bereaved family, and may they all meet their loved one in heaven in the earnest prayer of the writer.

KIND WORDS FOR GOEBEL.

Spoken By a Well Known Christian Minister.

Frankfort, Ky., Sept. 28.—Rev. Thos. N. Arnold, of this city, one of the best known Christian ministers in this section of the State, is out in a letter endorsing the candidacy of Senator Goebel, the Democratic gubernatorial nominee. One sentence of it is as follows: "William Goebel is a splendid illustration of what a young man, unaided by fortune, unaided by influential friends or family prestige, can accomplish by good morals, energy and devotion to duty. His life is a model for young Kentucky men to follow."

A POPULIST LEADER

of Lewis County Declares He is Going to Work For Goebel.

Valleeburg, Ky., Sept. 28.—Capt. C. C. Galties, one of the wealthiest planters of Lewis county, an old Confederate officer and hitherto leader of the Populist party of the county, this morning came in from his home and announced publicly on the street that he was for Senator Wm. Goebel for Governor and never intended to relax his work in Goebel's behalf from now on to election day. "I shall start out for a tour of the rougher sections of the county tomorrow," he said. "I am acquainted with nearly every man in the county and I shall impress upon the poor classes especially the importance of waiving politics for this election and of supporting the champion of the masses, the man who has won all his fine reputation in bitter warfare against the abuses of monopoly. If the poor people won't rally to the support of the most active and effective friend they ever had, they should not complain of any abuses they may suffer at the hands of monopolies hereafter. They now how sharp the issues are defined, the Republican party in the State is honest. It has boldly allied itself with the monopolies and makes no hypocritical pretense of friendship for the people."

THE SIXTH DISTRICT.

Mr. Goebel Makes His First Speech in His Home District.

Falmouth, Ky., Sept. 28.—Senator Goebel today for the first time since his nomination appeared before a crowd of Democrats in his home congressional district, the Sixth. About 1000 people heard and cheered his speech at the seat of Pendleton county this afternoon, and the leaders among them brought from their precincts gratifying reports of the condition of the race for Governor.

Judge J. H. Westover, of Grant county, was here today together with Joseph W. Pugh the Central Committee man for the Sixth district; Mayor Joseph L. Rhinock, of Covington, and several other Sixth district politicians. They got together today and compared their information for the purpose of forming an idea of what might be expected from the Sixth in November. The consensus of their opinion is that the Democratic ticket will get a majority of fully 4,000.

Messrs. Pugh and Rhinock say Senator Goebel's majority in Kenton county will be at least 2,000 and probably 2,500. Several other men from Covington said that fully 500 young Republicans, especially German Republicans, were going to vote for Goebel. Many of them are wearing Goebel buttons, while 114 Republicans have joined one of the twenty-five Goebel clubs in Covington.

A Spaniard was shot to death by a mob in Santa Clara province, Cuba. He was accused of having committed many murders during the Cuban revolution. A Spanish editor at Manzanillo.

JUDGE PRYOR

Writes A Letter About the Election Law—Inspector.

Lexington, Ky., Sept. 29.—The reply of Judge Pryor to Desha Breckinridge, of the Herald, is important, inasmuch the Chairman of the Election Board announces that each party having a candidate for Governor will be allowed one inspector in each precinct. There are five candidates, and so five inspectors will be in each voting place to see that the election is fairly conducted. Judge Pryor says: "The board selected by me are men of integrity, and will no doubt select such men for officers of the election as will secure an honest and fair vote. If they have failed to give the Republican candidate, Taylor, an equal division of the office as with the Democratic candidate, Goebel, is a plain violation of the law, and of the duty they owe to the voters and the candidates. If the judges of the election, or any of the officers chosen, are not qualified for the position then upon the affidavit of two qualified voters voters in the precinct to the effect that this disqualification exist, the officer disqualified should be removed and another substituted in his place. See section 1896, Carroll's Kentucky Statutes. If any officer appointed to serve as a Republican is for the Democratic ticket he ought to be removed and a Republican appointed in his stead, or if he is too old to serve or of bad repute he should be removed. This application for removal should be to the County Board, and not to this board. We have selected men of honor who possess the qualifications prescribed by the statute, and there our responsibility ends. If by any inadvertence any officer of the election is appointed who is disqualified for any reason, it is not only the province, but the duty, of the County Board to remove him as soon as that fact is made known, and when an application is made to the board showing the removal will take place. Upon refusal to hear such application there would then exist a cause for this board to hear the complaint made. This board is desirous of extending every courtesy due from it to those who wish to promote honest elections. If we take up this case in regard to matters over which we have no jurisdiction, in a few days we will have case after case from other counties in the State. Without discussing the merits of the present election law, the commissioners have been embarrassed in its execution for the reason that those opposing it have been making every effort to bring the law into general disrepute before the people of the State. "In order to prevent any fraudulent count of the vote it is expressly provided by section 1481, Kentucky Statutes, 'The County Executive Committee of each party having a ticket to be voted for at an election, may designate a suitable person to be present at, witness and inspect the counting of the vote in each precinct, who shall be admitted at said voting place.' So there being here candidates for Governor each ticket would be entitled to an inspector to see that the vote is properly counted in each precinct of the State. The commissioners appointed by this board are known to be men of character and of good repute as any men in Kentucky. The board has used its utmost endeavor to select good men for County Boards, and while it is difficult to satisfy all parties interested we feel that we have discharged our duty. Mr. Ellis concurs with me as the substance of this letter, and is now at home." Mr. Poyntz I have not heard from.

Very truly yours,

Will S. Pryor.

BROWSTON ALL RIGHT.

No Fact That Would Justify Him in Boasting.

Hon. Chas. J. Brownston, of the most prominent Hardin men in the Louisville convention, has been in Europe since the convention until recently. Since coming home, he has written the Democratic committee a letter explaining his position. While he does not endorse all of the platform, he says:

"I am, however, a party man, and believe that the judgment of the dual members of the party, as well as the entire minority, should submit to the judgment and will of the majority, whoever expressed in a proper manner, according to the recognized forms and rules of the party organization."

As a witness to and a participant in the proceedings of that convention I recall no fact that would justify me, even were I so inclined, to repudiate the action of that convention and withhold my support as a Democrat from the nominees thereof. It is my purpose, therefore, to vote for the entire ticket nominated by the convention at Louisville.

My personal relations with Mr. Goebel, the head of the ticket, as well as that with most of his associates, are of such a character that, independent of my party obligation, I should hesitate long before imposing the slightest obstacle to the gratification of his and their ambition.

7 Resolved that we hereby cast all our political burdens upon our nation here and recommend him as a candidate for the presidency of the United States, and that our burdens will be lightened and our banner carried to victory in 1900 by the Hon. William Jennings Bryan, of Nebraska.

RE HOT

Are the Resolutions Passed by the Officers of the Goebel Club.

1. Resolved that we as a body do not heartily endorse a reaffirmation of the Chicago platform in 1896, and the entire State ticket, nominated at the late Democratic convention held in Louisville, June 26, 1899.

2. We further endorse the manner in which the present Democratic campaign is being conducted, and condemn the L. and N. convention held at Lexington in August nominating John Young Brown the Kentucky political pirate for Governor.

Ladies Attention.

MRS. M. D. RONEY.

3 Resolved that we as a body pled, ourselves jointly and individually to do all in our power by the use of fair means to elect the Hon. Wm. Goebel and the entire State ticket.

4 Resolved that we condemn the present Republican National administration with its war policy, imperialism and its fostering of trusts, monopolies, combinations, etc., and further denounce the administration for heaping upon us and our posterity, ruinous and unnecessary taxation for the purpose of furthering that villainous war policy.

5 Be it further resolved, that we condemn the present State administration for its penitentiary scandal, school fund robbery and various other scandals which decency forbids mentioning.

6 We furthermore denounce the vilest of terms the action of the L. and N. Dispatch in the present State campaign, for its abuse of the Hon. Wm. Goebel, and for these actions we term it a traitor to the cause of Democracy, surpassed by not even the black hearted Benedict Arnold.

7 Resolved that we hereby cast all our political burdens upon our nation here and recommend him as a candidate for the presidency of the United States, and that our burdens will be lightened and our banner carried to victory in 1900 by the Hon. William Jennings Bryan, of Nebraska.

T. A. Rhodes, Wm. Bridges, H. D. Butler, Committee.

The Mutual Benefit

On February 27th, 1899, insured Wm. Berry Clark for \$1000.00, 20 payment life policy, annual premium \$34.82.

Mr. Clark died Sept. 2nd and death proofs made out and mailed to company Sept. 9th and the company's check for amount of policy paid to Mrs. Amanda B. Clark Sept. 20, 1899. How is this for a prompt settlement? Could Mr. Clark have made a better investment of \$34.82?

R. D. Browning, Agent.

This is to certify that I am today in receipt of check in full payment of \$1000.00, policy No. 270,721 issued Feb. 27, 1899, by The Mutual Benefit Life Insurance Co., on the life of my husband, Wm. B. Clark.

The attention of the readers of the Press is called to the announcement of Mrs. Givens' Millinery and Notion establishment at Mrs. Lovings' old stand. Since I began business in Marion built up a tremendous trade, which is still increasing. Never had so satisfactory summer season as that just passed. Never have the prospects for a fall season been brighter than the present. Miss Fowler will be my trimmer. She has been in the city for the last month learning the new styles and fads of the season. Come and price my goods before going elsewhere, I will save you a few dollars.

Mrs. F. GIVENS.
